

GREATER NAPANEE BASKETBALL ASSOCIATION (GNBA)

Refund Policy

Once a player has accepted a team offer, the team fees are due within one week.

*An exception may be made for a family that needs to pay in installments. This request would need to be made to the Executive which will determine the payment plan on a case-by-case basis with all fees due by November 1.

A player's spot on the team may be forfeited if the fees are not paid on according to the payment timeline. No player will receive a jersey until all fees are paid in full.

There are no refunds on competitive fees. In certain circumstances, and if there is sufficient reason for a need to withdraw, a partial refund (pro-rated) will be considered by the Club Executive on a case-by-case basis. Any expenses incurred by the team/club to that date will be taken into consideration.
